

PROJECT PRESENTATION

CampusConnect

A Student Facility Management
System

Team : Digital Savvy Yodas (DSY)

COEP Tech

COEP Technological University
A Unitary Public University of Govt. of Maharashtra
Formerly College of Engineering Pune

PROBLEM STATEMENT

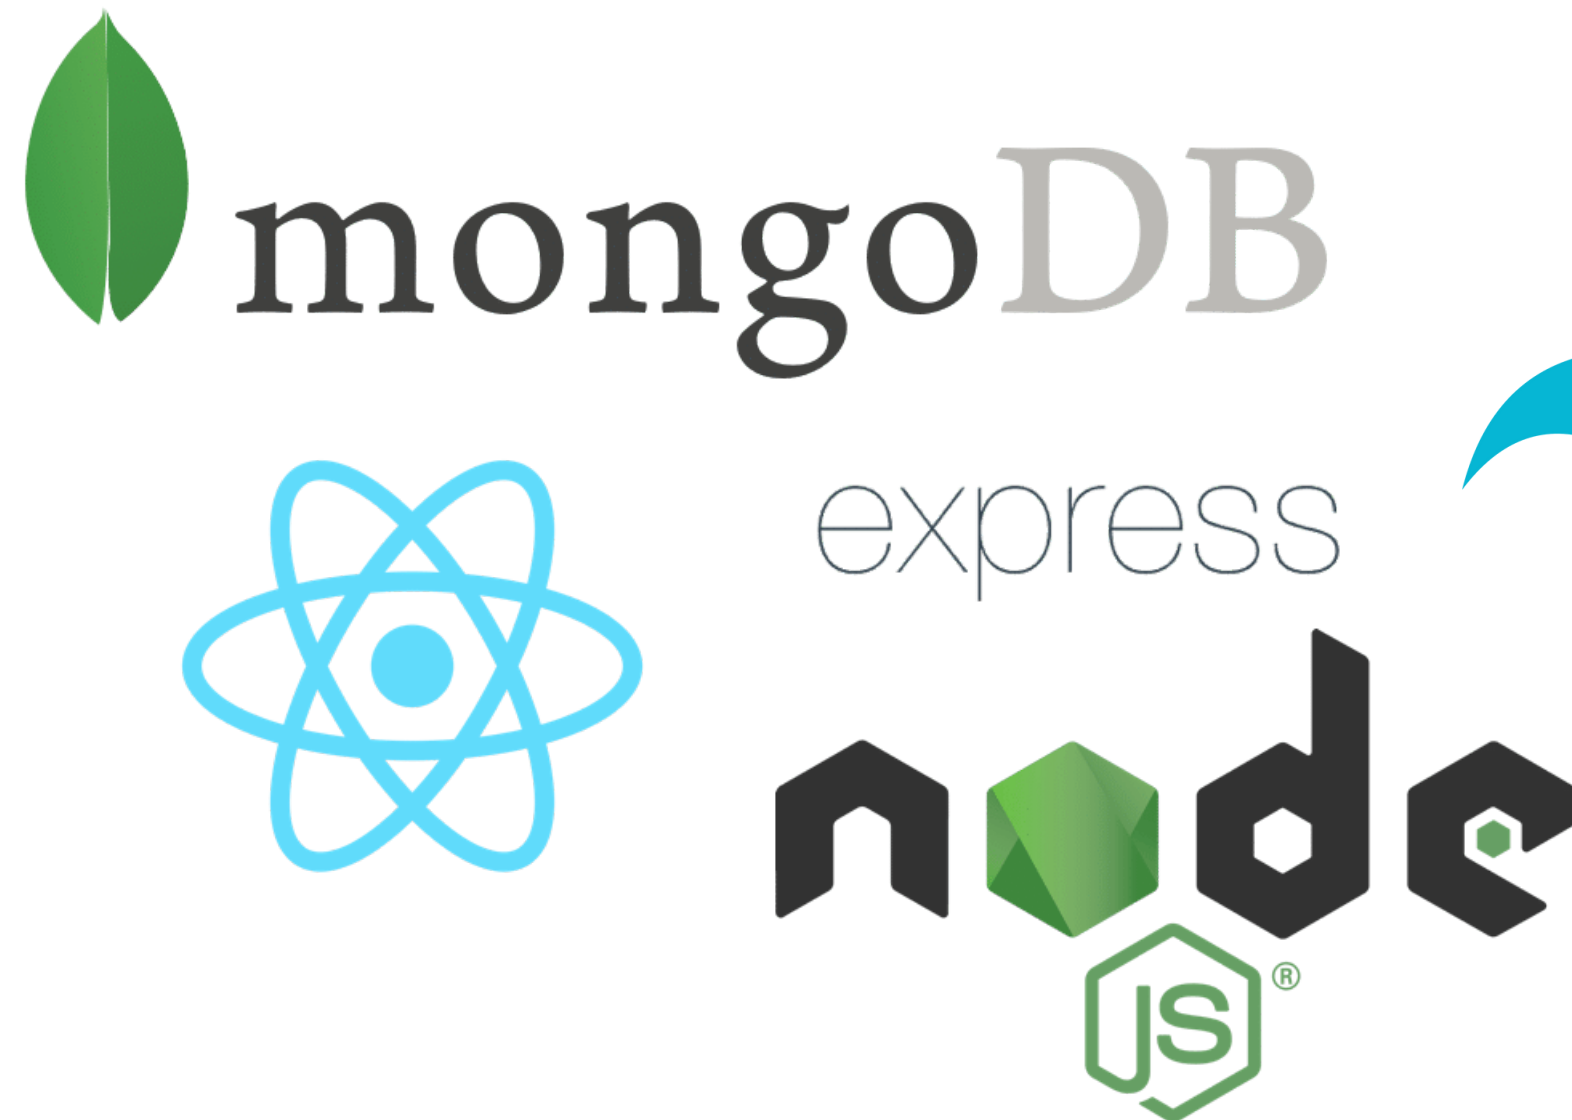

A system to cater the needs of students related to account section, student section and examination cell. There are requirements such as getting certified fee paid receipts, scholarship approval, bonafide certificate, leaving certificate, transcripts, etc.

COEP Tech

TECH STACK

COEP Tech

COEP Technological University
A Unitary Public University of Govt. of Maharashtra
Formerly College of Engineering Pune

OUR KEY HIGHLIGHTS

Digital Document Generation, FAQs and Querying with respective authorities

Faculty portal with suggestions and auto filling to streamline marks entry process

SGPA requirement Prediction for students based on past data

COEP Technological University
A Unitary Public University of Govt. of Maharashtra
Formerly College of Engineering Pune

OUR FUTURE PROSPECTS

A portal to help exam cell conduct online examinations

Making changes to our database schema according to college's DB requirements

SGPA Prediction with additional feature for student to select their weaker and stronger subjects and generating suggested report track accordingly

COEP Technological University
A Unitary Public University of Govt. of Maharashtra
Formerly College of Engineering Pune

OUR IMPACT

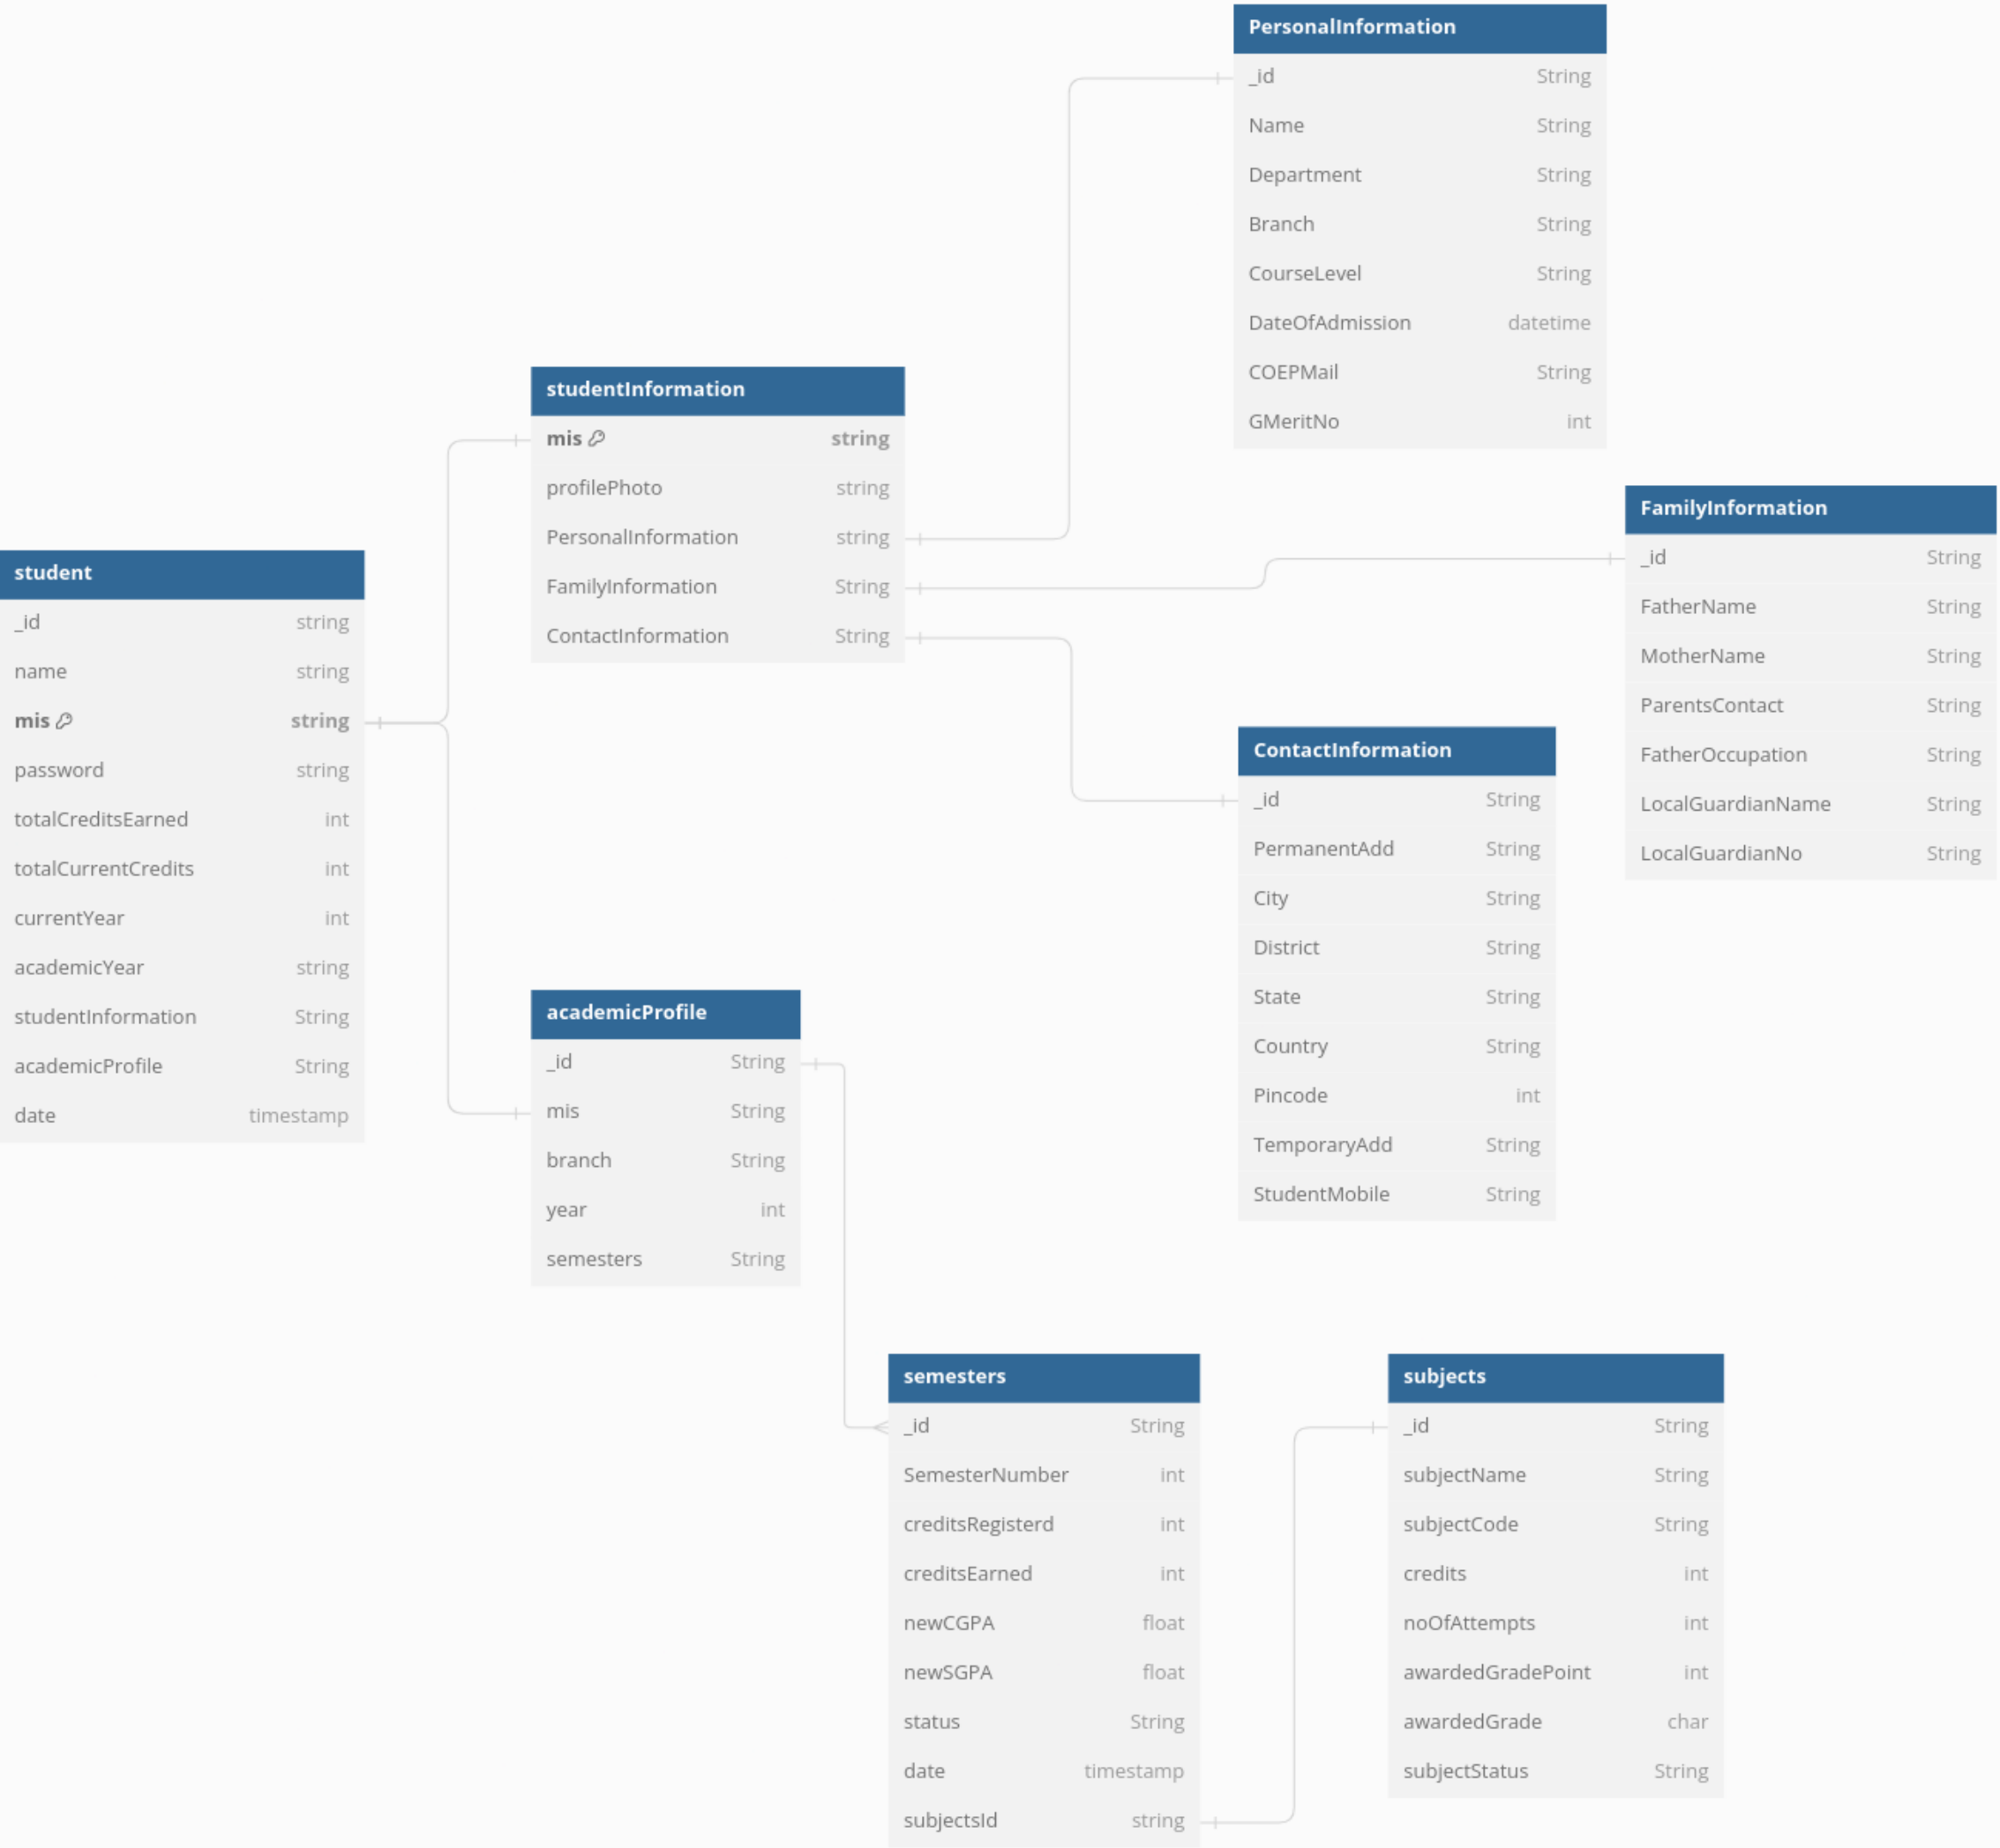

Make the process of acquiring college documents more efficient with digital access

Saving time for faculty as well as students with our application

The system will also act as a medium to provide Transparency and updates on the queries and submitted form requests
